

**Matthew R. Senecal, P.E.** is a Senior Engineer at the American Concrete Institute. His role at ACI is to provide technical and administrative support to ACI's Technical Committees and communicate the work of these committees to other Standard Developing Organizations and Regulatory Agencies. He received his BS in civil engineering from the University of Notre Dame and his MS in civil engineering from the University of Kansas. He worked as a Civil and Structural Engineer for 14 years before joining the ACI Engineering Department in 2004.
